

DATE 1-March-2019

NOTES Tech Mahindra  
WebX Round

② Right code to find the  
palindrome of a given  
string.

③ After this asked to  
write test cases to check  
the Evenodd, Palindrome methods  
using TestNG Framework

(All above are coding  
demonstration)

\* Explain about testNG and  
where do you use it in  
your project

\* Have you worked on API testing  
which API Testing tools you used
